

# 33 Lines To Get Hot First Dates

Presented by: [Giovanni Wan](#)

Social Skills Consultant at High Integrity Skills

Hey Truth Seeker,

The good stuff is on the next page. I promise.

If you're here now you may be struggling like I was a decade ago to consistently get hot girls on first dates. Or maybe you're already successful and just wanted more lines you can use to perfect your game.

Either way, these 33 lines hand-plucked from my 15+ years in-field will help you achieve an abundant dating life.

I have grouped the lines into: cold approach, online dating, and attraction and connection triggers. This way, whether you are meeting her for the first time on the street or writing your first message on a dating app, you'll know exactly what to say.

Please note that my game is calibrated for my version of [9s and 10s](#), so these lines may not work as effectively for girls who think of themselves as lower on the rating scale.

Running 9 / 10 game is based on 3 things: **value, congruence, and willingness to walk away.**

Also, your voice, body language and tonality will determine your success rate ratio.

If you want the principles behind these lines and how to customize them to your own core personality to be even more powerful, consider checking out my [First Date Formula](#).

In it, I give you the 300+ lines and first-principles I use from meet to starting an intimate relationship with exceptional women that I've used over the last 10 years. You'll understand how to develop lines that are unique to your core personality and how to build a lead funnel using approaches, online and your social circle.

If you're not getting the results you want using these 33 lines, please note the lines themselves have been field-tested by me and hundreds of my clients over the years in private coaching. Use them as training wheels and work on your eye contact, subcommunication and tonality.

As always, a better [style](#) will improve your odds of success, especially with high caliber girls.

## **Cold Approaching / First Interaction**

### **My Default Openers**

#1 You're cute, are you also interesting?

#2 Hey. You looked interesting and I wanted to meet you

#3 Hey, how much did you pay all these guys to stand next to you? Kidding. I'm [Name]

(9 or 10, works on club girls most guys are too afraid to approach)

### **Opinion Opener**

#4 Hey, let me get your take on something. I've only got a sec but I'm trying to give my friend over there advice, but we're just a bunch of guys –so we're really not qualified to comment on these matters. (What do you think about your little sister wanting to date a guy who's twice her age?)

### **Role Playing**

#5 My mom told me to come to the club and find a nice girl. So. Hi.

### **Funny Openers**

#6 Ok I'm here, what are your other 2 wishes?

**Sexual / Blow Out Openers (High Risk, High Reward. There are just for practicing not caring about rejection or having fun – not high success rate for getting first dates)**

#7 Hey, what are you doing later? Do you want to come home with me (HOLD)

#8 So, sex now, or after dinner? Kidding. Hey I'm [Name]

### **Transition / Cold Read**

#9 Are you more of a tea, coffee or a smoothie person?

#10 What's your view on salsa dancing and witty banter with cute boys?

### **Banter**

#11 I like you, so far... but I think we should take things slow

#12 You're kinda cool... you can be my girlfriend for the next 5 minutes

### **Sexual Banter (use after you have compliance and comfort)**

#13 Those are really nice shoes. [Pause] they would look better on... my bedroom floor

#14 Did you know that 93% of all women masturbate in the shower? (their response) Do you know what the other 7% do? (they say no) Oh. So you're one of the ones...who... (nod knowingly) – Credit: Mystery (Erik)

### **Qualification / Reverse The Chase**

#15 You are by far the coolest girl I've met... in the last couple hours... who is 5'7" ... and wearing red shoes ;)

#16 You're cute, but what do you have going for you besides your looks that would make me want to know you better?

#17 You look sweet and innocent but something tells me you're not.

### **Connection Triggers**

#18 If a genie came along and you could be POOF anything you want to be... what would you choose? And don't say princess.

#19 What Abilities Do You Have? What talents do you have that would surprise me? Can you cook? Can you dance? [Cool when I grew up.... – vulnerability story]

**Disqualification (only work if she's somewhat invested)**

#20 Too bad you're not my type. So don't even try hitting on me. (Only works on stunners 9s and 10s)

#21 Man I would be such a horrible boyfriend. I'd probably cheat on you, never shower, your heart would be broken. You should go for that guy over there. Let's go talk to him right now.

**Push Pull / High Value Banter / Role Reversal**

#22 Hey quit looking at my chest. My eyes are up here!

#23 I swear all you girls think about is one thing...

#24 You're getting me all emotional. I promised my friends I wouldn't go home with anyone tonight.

**Cuddle Party (Works really well if you have a lot of female friends)**

#25 So, we're going to have a cuddle party at my house next week. You bring all the girls; I'll make sure [Your Name] is there.

**Routines**

#26 Okay, here's a sobering fact for you. How many days do you think there are in an average human life? Don't try to do the math or anything, just tell me the number that you think it is. 28,000. Isn't that sobering? It just goes to show how limited our time on this earth is. Makes you ask what you're doing with your life, doesn't it? My passion is... What's yours? – Adapted from Mystery

#27 [Questions game \(5 lies for drinks\)](#)

## **Texting**

### **Ping Texts (checking temperature)**

#28: Us not talking for 2 months is going beyond playing hard to get. You're going to drive me into the arms of several other women at this rate.

### **Role Playing Texts**

#29 There is this really cute girl from Boston that I used to flirt with...but I think she got kidnapped. Thinking about sending a search party.

### **Voicemails (Yes they still work if done correctly)**

#30 Hey Laura... this is Jason. I just wanted to let you know that your application for Cat Clinician was rejected because our customers would be upset if they knew that you were a vet with no pet. Haha... Hope you're having a good day, give me a call, my number is 333-333-3333.

## **Online Dating Opening Messages**

#31 Serious question: let's say I'm taking you out for sushi: one reason or another I'm starving, I haven't eaten anything all day and you're in the shower. How long until we're out the door?

1. 30 minutes and you look hot, and I can't keep my hands off you?
2. 15 minutes and you look pretty cute
3. 2 hours and I die from starvation

### **Flake message (if she's MIA – high risk, high reward)**

#32 Aliens are coming to abduct all the good looking people tomorrow. I'm just writing to say goodbye. Don't worry you'll be fine.

### **She's late / flakey**

#33 Whatever. And I dedicated my life to building orphanages for puppies that cannot bark.  
Don't make excuses because you can't show up on time! They puppies can't wait!

### **Related Question Text / Connection Trigger**

#34 You mentioned something the other night that stuck in my mind a little, are you an only child or are you from a really big family

#35 When you were a kid, did you [insert unique thing you did as a kid ages 5-10]

#36 You mentioned your dad passed away when you were 10. I was thinking the other day – is that why you went to university in Paris to study business? [callback connection]
